PROGRAM POLICIES

Moving to a higher tier

Each year, we will review the tiers of the partner program to assess your standing.

A partner may move tiers based on annual performance. Fulfill the requirements of your current tier and you will have the opportunity to move to a higher tier, if available. Fail to meet the requirements of your current tier and you may be moved to a lower tier, if available.

If you fail to meet the requirements, you will be notified of a pending change in standing. You will then have a period of time to meet the requirements to maintain your status. If you are unable to do that, you will receive written notice of the move to a lower tier.

Program changes

We reserve the right to alter the Proofpoint Partner Program at our discretion. We will make an ardent effort to provide you with a 30-day notice of program changes. If you disagree with a change, you have the option to leave the program. Likewise, we may ask you to leave if you do not fulfill the requirements or do not comply with our policies.

Any legal notices to us must be in writing and sent to the attention of our legal department at company headquarters in Sunnyvale, CA.
