

PROOFPOINT SECURITY PRODUCTS EXHIBIT

This Security Products Exhibit ("Exhibit") is an exhibit to the General Terms and Conditions ("General Terms"). The General Terms are an integral part of this Exhibit and are incorporated by reference, if any of the following Proofpoint Products are licensed by Customer: Continuity, Data Discover, Email Data Loss Prevention (DLP), Email Encryption, Email Fraud Defense, Email Protection, Emerging Threats Intelligence Query, Emerging Threats Pro Ruleset, Emerging Threats Reputation, Mail Routing Agent (MRA), Mobile Defense, SaaS Defense, SaaS Protection, Secure Share, Targeted Attack Protection (TAP), Threat Response and Threat Response Auto Pull, and any future names or bundles by which Proofpoint identifies and makes available these Products. Capitalized terms used in this Exhibit without separate definition shall have the meaning specified in the General Terms.

IN WITNESS WHEREOF, Proofpoint and Customer represent and warrant to the other that the person entering into this Exhibit is authorized to sign this Agreement on behalf of their respective party.

Table with 2 columns: CUSTOMER: and PROOFPOINT, INC.:. Rows include Signature, Individual Signing [print name], Title, and Signing Date.

1. TERMS OF USE. Proofpoint shall make the Proofpoint Product available to Customer and its Affiliates in accordance with the General Terms, Purchase Order, this Exhibit and the Documentation. Customer's right to use the Proofpoint Product is limited to the maximum number of Licenses for each module, the deployment type (Appliance, Software, or Software as a Service (SaaS)), and any other limitations specified in this Exhibit, including Schedule 1, and each Purchase Order and/or Quote.

2. WARRANTIES.

2.1 Appliance Warranty. Proofpoint warrants to Customer that the physical Appliance will be free from defects in materials and workmanship, under normal intended use, for the period and under the terms described at https://www.proofpoint.com/us/support/email-appliance-warranty-eol ("Appliance Warranty"). Customer will provide prompt written notice of any non-conformity during the Appliance Warranty period. Provided that Proofpoint receives such timely notification, Customer's sole and exclusive remedy and Proofpoint's entire liability for any breach of the foregoing warranty is to ship a replacement Appliance. If the Appliance is replaced, such replacement Appliance is warranted for the unexpired portion of the original Appliance Warranty. If the Appliance is damaged due to Customer's negligence or willful misconduct, Customer will be responsible for all shipping and repair costs. Otherwise, Proofpoint will be responsible for all shipping costs related to shipping the replacement Appliance to Customer. Any Appliance that is replaced becomes the property of Proofpoint. Proofpoint will not be responsible for Customer's or any third party's software, firmware, information, or data contained in or stored on any Appliance returned to Proofpoint, whether under warranty or not. This Appliance Warranty does not apply to (a) an Appliance that is improperly installed or used in a manner other than as authorized under the Agreement, to the extent such improper installation or use cause the breach of warranty; (b) an Appliance that has been modified or repaired by Customer or any party other than Proofpoint, to the extent such modifications cause the breach of warranty; (c) an Appliance that is damaged due to Customer's mishandling, abuse, negligence, or improper storage, servicing or operation; or (d) an Appliance that is damaged due to power failures, surges, lightning strikes, fire, flood, accident, and actions of third parties or other events outside Proofpoint's reasonable control.

2.2 SaaS Services Warranty. Proofpoint warrants that the Services will substantially conform in all material respects in accordance with the Services Documentation ("SaaS Warranty"). Customer will provide prompt written notice of any non-conformity. Proofpoint may modify the Services Documentation in its sole discretion, provided the functionality of the Services will not be materially decreased during the Term. As Customer's sole and exclusive remedy and Proofpoint's entire liability for any breach of the SaaS Warranty, Proofpoint will (i) use reasonable efforts to fix, provide a work around, or otherwise repair or replace the Service or, if Proofpoint is unable to do so, (ii) terminate this Exhibit and return the Subscription Fees paid to

Proofpoint or Reseller for such allegedly defective Services for the period commencing from Customer's notice of nonconformity through the remainder of the Initial Term or Extension Term, as applicable.

2.3 Software Warranty. Proofpoint warrants that for a period of three (3) months following delivery of the Software to Customer it will function in substantial conformance in all material respects with the Documentation ("**Software Warranty**"). Proofpoint may modify the Documentation in its sole discretion, provided the functionality of the Software will not be materially decreased during the Term. Customer will provide prompt written notice of any non-conformity. The Software Warranty does not apply to: (a) Software that has been modified by any party other than Proofpoint; or (b) Software that has been improperly installed or used in a manner other than as authorized under the Agreement to the extent such modification(s) or improper installation cause the Software to be nonconforming. As Customer's sole and exclusive remedy and Proofpoint's entire liability for any breach of the foregoing warranty, Proofpoint will (i) use reasonable efforts to fix, provide a work around, or otherwise repair or replace the Software or, if Proofpoint is unable to do so, (ii) terminate this Exhibit and return the Subscription Fees paid to Proofpoint or Reseller for such allegedly defective Software for the period commencing from Customer's notice of nonconformity through the remainder of the Initial Term or Extension Term, as applicable. If the non-conforming Software was included with an Appliance and if, in the parties' reasonable judgment, the functionality or utility of the physical Appliance is materially impacted as a result of Proofpoint's termination of Customer's right to use the non-conforming Software under this Section 4.2, Customer may return the physical Appliance in accordance with the return provisions specified in Section 4.1 and Proofpoint will refund the fees paid to Proofpoint for such physical Appliance. If Customer has purchased the physical Appliance through a Reseller, then Reseller shall refund the foregoing fees to Customer.

2.4 Disclaimer. PROOFPOINT DOES NOT WARRANT THE ACCURACY OF THE INTENDED EMAIL BLOCKING OF ANY MAIL MESSAGE, THAT THE PROOFPOINT PRODUCTS (SOFTWARE, APPLIANCE, OR SERVICE) WILL MEET CUSTOMER'S REQUIREMENTS OR THAT EMAIL WILL NOT BE LOST OR THAT THE PROOFPOINT PRODUCTS WILL NOT GIVE FALSE POSITIVE OR FALSE NEGATIVE RESULTS OR THAT ALL SPAM AND VIRUSES WILL BE ELIMINATED OR THAT LEGITIMATE MESSAGES WILL NOT BE OCCASIONALLY QUARANTINED AS SPAM. PROOFPOINT DOES NOT WARRANT THE OPERATION OF THE PROOFPOINT PRODUCTS WILL BE UNINTERRUPTED OR ERROR-FREE OR THAT ALL SOFTWARE ERRORS WILL BE CORRECTED.

3. APPLIANCE SHIPMENT, DELIVERY, TITLE, RISK OF LOSS. Proofpoint will ship the physical Appliance Ex Works (Proofpoint's facility), as defined by Incoterms 2010. Unless specified in advance by Customer, Proofpoint will select the carrier in its own discretion. Customer will be responsible for all freight, packing, duties, import fees and related taxes, insurance and other shipping-related expenses from Proofpoint's location. Title to the physical Appliance (excluding any software or firmware embedded in the Appliance) and risk of loss will pass to Customer upon Proofpoint's delivery of the physical Appliance to the carrier. Any Software Updates shall be delivered via file transfer protocol unless physical shipment (e.g. compact disk) is specifically requested by Customer.

4. SERVICE LEVEL AGREEMENT. Proofpoint provides a Service Level Agreement ("SLA Agreement") for some of the Proofpoint Services. The SLA Agreement is posted on Proofpoint's website at <http://www.proofpoint.com/license>. In the event of a breach of the foregoing warranty, as Customer's sole and exclusive remedy, Proofpoint will provide the remedy set forth in the respective SLA.

SCHEDULE 1 PRODUCT SPECIFIC TERMS

Continuity. Continuity is licensed on a User basis and provides the temporary storage of Customer inbound email, contacts and calendar data within the on-demand, Cloud based email continuity services provided by Proofpoint, including updates thereto. Customer acknowledges that Continuity is only to serve as a secondary, emergency failover option in the event of failure of Customer's email service, and not to serve as a primary email archive solution or a primary failover solution. Customer is required to have a current subscription for Proofpoint email protection to use Continuity. Continuity has a maximum data volume capacity of: (a) the last thirty (30) calendar days of Customer email; and (b) a per User maximum data capacity of one gigabyte (1 GB), or as may be increased per any update to the corresponding Documentation. Customer Data and Customer specific service customizations will be logically separated from those of other customers of Continuity on a user account basis. Customer is responsible for: (i) all activities conducted under its User logins; and (ii) obtaining and maintaining any Customer Equipment and any ancillary services needed to connect to, access or otherwise use Continuity and ensuring that the Customer Equipment and any ancillary services are compatible with Continuity and comply with all configuration requirements set forth in Continuity's Documentation; and (iii) supporting and resolving any password reset issues for Continuity for Customer's Users. Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. Additionally, Customer shall be responsible for. "**Customer Equipment**" means Customer's computer hardware, software and network infrastructure used to access Software. "**User**" means Customer's and its Affiliates' employees, agents, contractors, consultants or other individuals who licensed to use the Proofpoint Product.

Continuity Plus. Continuity Plus is licensed on a User basis is an add-on purchase to Continuity that enhances Continuity to store (a) outbound email and/or (b) intra-domain email. As a requirement for Continuity Plus to store email outbound from Customer's email server, or any email originating from within Customer's own email domain (i.e. intra-domain) then Customer

must: (a) enable the email journaling feature within Customer's Microsoft Exchange Server, or Microsoft Office 365 service; and (b) ensure that the Customer's network firewalls have proper policies to allow journaling emails to be transmitted to the Proofpoint hostnames and IP addresses for Continuity Plus. This feature for storage of outbound and intra-domain email is only supported for Microsoft Exchange Server and Microsoft Office 365. Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. **"User"** means Customer's and its Affiliates' employees, agents, contractors, consultants or other individuals who licensed to use the Proofpoint Product.

Email Protection. Email Protection is licensed on a Mailbox basis. When using Email Protection Customer is responsible for (i) all activities conducted under its user logins; and (ii) obtaining and maintaining any Customer Equipment and any ancillary services needed to connect to, access or otherwise use Email Protection and ensuring that the Customer Equipment and any ancillary services are compatible with Email Protection and comply with all configuration requirements set forth in Email Protection's Documentation. Email Protection is for use with normal business messaging traffic only, and Customer shall not use Email Protection for the machine generated message delivery of bulk or unsolicited emails or emails sent from an account not assigned to an individual. If Customer has elected to route outbound email through Email Protection, Customer is responsible for maintaining the outbound email filtering Email Protection configuration settings established by Proofpoint to filter and block emails identified by Proofpoint as either containing a virus or having a spam score of ninety-five (95) or higher. If Proofpoint has reason to believe that Customer has modified the outbound email configuration setting, Proofpoint reserves the right to monitor and reset such settings. Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. **"Customer Equipment"** means Customer's computer hardware, software and network infrastructure used to access Software. **"Mailbox"** (which may be referred to in a Proofpoint quote as User) means a separate account on Customer's email server for sending or receiving messages or data within Customer's email system or network. Aliases and distribution lists shall not be counted as separate mailboxes provided each person who has access to such aliases and distribution lists has a separate account on Customer's email server for the receipt of messages or data within Customer's email system or network.

Mail Routing Agent. Customer may elect to route outbound email through the Mail Routing Agent service (MRA). If so, Customer is responsible for maintaining the outbound email filtering MRA configuration settings established by Proofpoint to filter and block emails identified by Proofpoint as either containing a virus or having a spam score of 95 or higher. If Proofpoint has reason to believe that Customer has modified the outbound email configuration setting, Proofpoint reserves the right to monitor and reset such settings.

Mobile Defense. Mobile Defense is licensed on Device basis. Customer is responsible for (i) all activities conducted under its User logins; and (ii) obtaining and maintaining any Customer Equipment and any ancillary services needed to connect to, access or otherwise use Mobile Defense and ensuring that the Customer Equipment and any ancillary services are compatible with Mobile Defense and comply with all configuration requirements set forth in Mobile Defense's Documentation. Customer acknowledges that Mobile Defense may access and store the email address, network identifier and mobile phone number associated with a Device; and Customer therefore agrees to only use Mobile Defense to process personal data in compliance with all applicable data privacy regulation (e.g., with consent or in pursuit of legitimate interests). Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. Customer shall be solely responsible for complying with the terms and policies it has agreed to with any third party services that integrate with Mobile Defense. Proofpoint cannot guarantee that such third party services will continue to interoperate with Mobile Defense. **"Customer Equipment"** means Customer's computer hardware, software and network infrastructure used to access Software. **"Device"** means Customer's and its Affiliates' mobile devices that are managed by the Proofpoint Product.

Target Attack Protection (TAP). TAP is licensed on a User basis. Customer grants to Proofpoint an irrevocable, royalty-free, fully-paid up, non-exclusive, license to use data from suspicious and unwanted emails, including email metadata, embedded URLs and attachments (which may include Personal Data), for its security services platform. Such use may entail the data being stored for analysis for up to 120 days from the point of initial transit through the Services or in perpetuity, depending on the nature of the suspicious or threatening characteristic. Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. **"User"** means Customer's and its Affiliates' employees, agents, contractors, consultants or other individuals who licensed to use the Proofpoint Product.

Threat Response. Threat Response is licensed on a User basis and interoperates with certain supported: (a) third party data sources ("*Event Source*"); and (b) third party security enforcement platforms (e.g. firewalls, and web proxy servers) ("*Enforcement Device*"). As between Proofpoint and Customer, Proofpoint shall have no liability whatsoever with respect to the accuracy, availability, or quality of Event Sources or Enforcement Devices. Customer may configure additional Event Sources and Enforcement Devices as needed by Customer in connection to Customer's use of Threat Response. Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. **"User"** means Customer's and its Affiliates' employees, agents, contractors, consultants or other individuals who licensed to use the Proofpoint Product.

Threat Response Auto Pull. Threat Response Auto Pull is licensed on a User basis and can only be used with Proofpoint's Targeted Attack Protection data as the Event Source and may only be integrated with either Microsoft Exchange Server or Microsoft Office 365 as an Enforcement Device. Customer is required to have a current subscription for the Proofpoint Targeted Attack Protection product to license and use Threat Response Auto Pull. Upon written notice (via email) to Customer's Named Support Contact Proofpoint may monitor Customer's specific system configuration. Customer is solely responsible for any damage or loss to a third party resulting from the Customer's own use of the Proofpoint Product in violation of: (a) applicable law; or (b) the terms and conditions of the Agreement. **"User"** means Customer's and its Affiliates' employees, agents, contractors, consultants or other individuals who licensed to use the Proofpoint Product.
