Insider Threat Awareness

September is Insider Awareness Month, and Proofpoint’s 2020 focus is on “Resilience”.

Insider threats are prolific because anyone with legitimate, trusted access to an organization’s systems or data — whether its careless users, disgruntled employees or compromised accounts — can be an insider threat.

Understanding what is driving the increase in frequency and cost of insider threats is important when selling Proofpoint’s Insider Threat Management solution to your customers.

Virtual Events and Webinars

For Customers: On Demand Webinar

September 2020 - Insider Threat Management
