Protect 2021
Join us! Protect Americas June 8-9

Join us for Proofpoint’s flagship annual conference, Protect, on June 8 and 9. Across the two half days of this complimentary virtual event, we will bring together some of the brightest minds in cybersecurity to share their insights with you. You’ll gain a wealth of knowledge and leave with your own framework for success.

You can expect:
• Expertise and inspiration from our impressive lineup of keynote speakers
• People-centric security success stories from today’s leading brands
• Deep-dive security analysis in sessions on the topics that interest you most

Live Webinars

For Customers: Cyber Crime Evolution: Insider Threats
May 26, 2021 at 10:00am – 11:00am PT
Join us with your customers to hear John Sileo, author and cybersecurity expert, share his story on how he lost nearly everything he valued to cybercrime, including his $2M software company. John laces his presentation with humor and interaction to inspire audiences to take security seriously without giving in to fear. Customers will walk away with concrete tools to defend the data that drives their organization.
