

How Proofpoint Customers Access Cybersecurity Academy

All Proofpoint Customers receive complimentary access to our online training platform **Cybersecurity Academy**. Access codes are required for account creation. If you do not have your account access code, please contact your account manager or Training@proofpoint.com for more information.

How to Register for an Account

1

Log In or Create Your Account in the Proofpoint Certified Guardians Community

To begin, access the Certified Guardians Community:

<https://proofpoint.my.site.com/pcgc/s>

Tip: Bookmark this link for quick access.

Option A: Log In (Existing Users) If you already have a Proofpoint Guardian account:

1. Click Log In
2. Sign in using your existing Proofpoint Communities password.
3. You will be automatically redirected into the Certified Guardians Community

Option B: Sign Up (New Users) If you are not an existing Proofpoint Communities user:

1. Click Sign Up
2. Enter your email address
 - a. If your email already exists → you will be prompted to continue with your existing profile
 - b. If your email is new → you will be asked to enter your first name and last name
3. Click Finish to complete setup

The screenshot shows the Proofpoint Certified Guardians Community login and sign-up page. At the top, the Proofpoint logo is displayed, followed by the text 'Certified Guardians Community'. Below this, the heading 'Join the Proofpoint Certified Guardians Community' is shown. A horizontal line separates the heading from the login and sign-up options. On the left, the text 'Log In or Sign Up to enjoy all the benefits of the Community:' is followed by a list of benefits: 'Interactive Study Groups', 'Free Study Resources', 'Expert-Led Sessions', and 'Certification Technical Support'. On the right, the text 'Access to Begin' is followed by two buttons: 'SIGN UP' and 'LOG IN'. Below the 'SIGN UP' button, there is a link that says 'New to Proofpoint? Sign up here'.

2 (New Users) Please register for a Cybersecurity Academy account.

Register using the link: [Cybersecurity Academy Registration Page](#).

You will need your LMS Access Code.

Get your LMS Access code by clicking on your Community profile name > My Account and copying the LMS Access code from your account information.

If you do not have access to your code, please contact your Account Manager or email Training@proofpoint.com for assistance.

The screenshot shows the 'Proofpoint Cybersecurity Academy User Registration' form. At the top, there is a search bar and a 'Log in for full access' button. The form itself has four input fields: 'First Name', 'Last Name', 'Email', and 'LMS Access Code'. Below these fields are 'Cancel' and 'Submit' buttons. A small note at the bottom states: 'Proofpoint employees should access the Cybersecurity Academy from their SSO profile. Proofpoint partners should access the Cybersecurity Academy from the Proofpoint Partner Hub.'

3 After completing registration, visit [Cybersecurity Academy](#) and enter your registered email address. Bookmark this page for easy access to our training platform.

The screenshot shows the 'proofpoint | Cybersecurity Academy' login page. It features the Proofpoint logo and the text 'LEARNING HOMEPAGE FOR PROOFPOINT'. Below this, there is an 'Email ID *' label and an input field with the placeholder text 'Email'. A 'Sign In' button is located below the input field.

Tip:

Standard Login Flow (Recommended)

1. Go to the Cybersecurity Academy link
2. Enter your email on the Academy login screen
3. You will be redirected to the Guardian Community sign-in page
4. After signing in, you will automatically return to the Academy Home Page
